Captain

The position of Capt. Myers in this command has been embarrassing. Since the evacuation of Pensacola. Capt. Myers has, in conformity to the assignment made by Brig. Genl. Thos. M. Jones, been in command of all the Cavalry.
The Alabama Cavalry has been detached to Bluff Springs. But two companies of Florida Cavalry have joined, and are immediately present. Their Captains are regularly commissioned & I anticipate difficulty between them & Capt Myers, who informs me that he holds no appointment under either the Confederate or any State Government. I must therefore request to be instructed as to the position the Florida officers Capt. Myers to occupy.
I should like to relieve Capt. Myers in the command & proceed

within report of Col. Tatnall is respectfully forwarded.—

I may add, as mentioned in company with Col. Tatnall the time of which I write about two months ago, that while requiring his services at Memphis, I asked him to accompany me, which he did with the same good will & cheerfulness as if nothing of service to me, being a man with iron constitution capable of bearing any amount of fatigue & exposure.

In examining the place and reconnoitering, I was needed to assist the whole cavalry force except the time of Capt. Myers' absence. I deemed this absence of the service sufficient to detain him. I have assigned to this command of the cavalry companies the battalion being there, with the result of commissions in the 1st Miss. Cav. If possible he ought to be retained in service.

Your favor of the 16th Inst. is receivd and I hasten to reply. I am in Command of a detachment of Florida Cavalry, composed of Capt R. H. Rutledge's Company from Middle Florida. Capt J. B. Vaughn, from Escambia County West Florida and Capt J. R. Leigh's Company from Santa Rosa County West Florida. I was placed in Command nearly a year ago by an order of Genl Forney: but was retained by the officer succeeding him. My Command petitioned for organization, and to have me appointed to Command. which was recommended by the Brigade and personal friends and I have been recommended for appointment by Genl Canty and by Genl Buckner: previously by Genl Johns and Forney. I have forwarded all the papers to

the Hon: A Ellerbe. Senator from Florida, and was fearful that they had misquoted. My situation, is and has been very unpleasant; having no Commission, and having to command a set of raw men: the Office of which can form me no little trouble. I most earnestly desire T. I. . . . joining. I have been in the Service since the very beginning of our struggle: I was an Orderly Sergeant, a member of the Palmetto Regt in Mexico: when I received wounds, which has disabled me for life. Although an exemption from Military duty I omit of doing my duty to my country. Your earliest attention to my case is respectfully solicited by Your humble Servt

Sir

Having heard that an order had been issd by Col. L. L. Murphy to turn over to Maj Steedes, we the undersigned most respectfully petition through you, the Maj Genl Comdg this Dept to revoke this order in justice to ours, who do not understand the laws of our Country helping to Maj Steedes Comd. We beg leave to state that we were mustered into the army under Maj Steede for Special service, that is exactly defined in the State of Miss. between Pascagoula & Pearl River (it was so stated by mustering Officer) Company having refused this limit for exact Service, granting the privilege of Volunteering to our Company & Battn having been virtually disbanded by the general neglect of its Officers & men. We ourselves having been all enlisted in the Comd by being sent home nearly all the time on furlough (frequently being sent on recruiting service by our Officers & never furlough as granted) which fact we can substantiate by undersigned testimony & being desirous if possible our Company as at present organized Comd to act ready & willing to do any attempt for the good of the Genl. Govt will also bear in mind that through you we made application to the Genl Govt at Mobile to be furnished to join your Company, in which application we stated that the Company in which we had enlisted for State defence had been ordered off to Monticello, some 150 miles above Mouth Pearl River & as much as our contract with the Govt was broken, we no longer considered ourselves members of said Company, but being liable to Conscription. We also stated the fact that when said Company reached Monticello, the Capt of our Company was removed & placed in Command of an Infantry Company & another Capt (J. K. Mayers) appointed to Comd us thereby losing the privilege of reorganization which allowed us to elect our own Officers. We have never claimed any exemption or
